

"The administration of the Schuldorf Bergstraße sincerely congratulate the May 2018 graduates of the State International School Seeheim-Jugenheim. They can be highly applauded for their hard work, focus and commitment!

An IB diploma is an excellent preparation for further education and for future careers. IB graduates have shown a great amount of curiosity and critical thinking and most likely will continue to do so throughout their lives. These skills are the foundation of the future, as both universities and employers attest. We are sure that our IB graduates are highly prepared to contribute to their own communities and will be a key in helping to find solutions to the broader challenges facing the world." (IB Coordinator W. Scheuerpflug)
