

SISS IB DP May 2019 Results

This year we are again proudly looking at the overall performance of our students, the fourth IB year group we have had since becoming an IB world school. So far it is the best year group we have had at the State International School Seeheim-Jugenheim. Congratulations IB graduates! Thank you dear IB teachers for this impressive outcome!

An IB diploma is an excellent preparation for further education and for future careers. IB graduates have shown a great amount of curiosity and critical thinking and most likely will continue to do so throughout their lives. These skills are the foundation of the future, as both universities and employers attest. We are sure that our IB graduates are highly prepared to contribute to their own communities and will be a key in helping to find solutions to the broader challenges facing the world.

This year, 30 students were awarded the IB Diploma of which even 19 were awarded the Bilingual Diploma. It is awarded if a student completes two languages selected from group 1 (English and German) with the award of a grade 3 or higher in both.

The average points obtained by candidates who passed the diploma was 35! Converting this average to the equivalent German "Abitur-average" this is a 2.17 – a truly outstanding result!

For the first time, four students received 42 or 43 total points, which equals a 1.0 in the German system for the Abitur. The average grade obtained at the SISS by candidates who passed the diploma was a 5.59 (out of a maximum of 7) which is also the highest average we have ever had at this school.

	2019	2018	2017	2016
average points obtained by candidates	35.0	33.1	32.7	34
